Re: Extension of David Michelman Divestiture Trust

Dear Mr. Braun:

Pursuant to sections 4(i) and 310(d) of the Communications Act of 1934, as amended,¹ and sections 0.331 and 22.942 of the Commission's rules,² the Wireless Telecommunications Bureau finds that it is in the public interest to grant the request of David Michelman, Trustee, to extend the duration of the trust created to divest licenses held by AT&T Wireless Services, Inc., and its affiliates ("AWS").³ AWS divested these licenses to David Michelman, Trustee, to meet the requirements of the Commission's commercial mobile radio service spectrum aggregation rule.⁴

The Bureau finds that extending the trust for 90 days under these circumstances serves the public interest and grants the extension through April 2, 2004.

Sincerely,

A handwritten signature in cursive script that reads "Katherine M. Harris".

Katherine M. Harris
Deputy Chief
Commercial Wireless Division
Wireless Telecommunications Bureau
